# REF : _PCFLA-BRE

FLAME KEY RING

DESCRIPTION

Polyester flame keyring, dimensions 130 x 30 mm, with embroidery customization up to 3 colors on the front. The back is equipped with a velcro to attach up to 4 interchangeable patches (PVC, woven, embroidered up to 3 colors or sublimation), to adapt the design as you wish. Each patch can measure up to 25 x 25 mm and has a velcro on the back. Finished with a simple ring, this original and modular keychain is ideal for an impactful and scalable visual communication.
