STARTER PACK

DESCRIPTION

Create your own fully customized magnet starter pack. You can choose 2D or 3D magnets, injection molded or printed. The pack consists of one piece measuring approximately 6 to 7 cm and 2 or 3 other pieces measuring up to 2.5 cm, as desired. Choose and personalize your packaging with a presentation card to which the magnets are glued, as well as a flexible or rigid blister pack of your choice. The prices below are for informational purposes only. All projects must be carefully studied and costed.
